Rachael and I are really looking forward to the forthcoming season and we have a great team of horses to go to war with. At present they're coming on very well and in a good routine - we have 55 horses riding out, most are doing trots on the round gallop and a steady canter up the hill gallop, and the more forward team are mixing 4 canters on the round with 2 canters on the main gallop, plus an hour on the walker. Another 5 horses will return to us in September.

We've got a great team of jockeys lined up for the forthcoming season. Rex Dingle is a big part of our team, he's now fully fledged and is improving all the time, and Ben Godfrey is already on 7 winners this season whilst he retains his 5lb for now. We also hope to use Aidan Coleman, Richie McLernon, Sean Bowen and Harry Cobden through the season. We also have a new young conditional, Cameron Iles who joined us last season. He has just got his licence and will initially be claiming 10lb.

Wagner has already had a run, with a second at Newton Abbot earlier this week, (pictured having a cool down post-race) and we hope to run Marilyn Monroe, Bleu Away and Mister Allegro in September followed by the rest of the national hunt team from mid-October onwards.

Our Horses in Training brochure is in production as we speak, and should be ready in the next couple of weeks. If you have a business that you would like to advertise, please get in touch as quick as you can to book a slot.

geegeez.co.uk

This years 5-2-Follow competition will be running from October 1st – you will find details and an entry form attached. Please get your entries in to Sophie as soon as possible. Last season we were able to donate just under £1,000 to the Somerset and Dorset Air Ambulance, and they're very grateful and appreciative. – best of luck!

Sully D'Oc AA jumping to his victory at the Punchestown festival in April

When you visit you will meet new members of staff who have joined us here at Potwell. We welcome Rebekah Bell and Abbie Woodward who have just completed their training at the British Racing School. Chad Bament is from Devon and has joined us from Victor Dartnell – he has plenty of Pony Racing experience. Olivia Box-Pook, Megan Giles and Gemma Humphrey have all joined us to ride out.

We are very excited to be able to report that the planning permission for our new barn has finally come through ! The groundwork has already started, hoping to progress as fast as possible whilst the weather remains relatively dry. We would hope to be looking at completion towards the end of this year or beginning of 2022. We're really looking forward to being able to fill the 20 new boxes, and welcome you to the new Owners Room.

We're delighted that Geegeez is continuing the sponsorship of the yard for the foreseeable future, and we enjoy working closely with Matt. Visit the Geegeez website for all the form and stats across the UK and Ireland every day.

Rex and Wagner at Newton Abbott

In other news, our Travelling Head Lad, Joss Parker and his wife Amy were thrilled with the arrival of baby Jack Parker on July 1st. He's doing well, and keeping his Mum very busy !!

If you're looking for a new involvement in the yard, we have some very exciting prospects to offer you. Please contact Anthony on 07815898569 or Lucy on 07752629141 to arrange to come and see them.

DECIMUS RACING IX

This stunning unnamed gelding is by MAHLER with whom Anthony has already tasted success, with the likes of MS PARFOIS, GUSTAVIAN and WAGNER.

~ His dam, REHILL LASS won a bumper and has produced the four-time and listed winner DOLLY'S DESTINATION.

~ He has already been loose schooled in Ireland and jumps very well. He's been in full training since September 1st and his initial target will be a national hunt flat race. He has size and scope and we will not rush him.

~ Total cost per share is £3995 and all expected costs are covered by a monthly fee of £195 from September 1st.

Owners who commit now, will immediately have access to the WhatsApp group in which Anthony will be videoing his progress.

UNNAMED MAHLER x REHILL LASS

KONIGIN ISABELLA

By a sire rapidly making a name for himself with his first 3yo crop - ISFAHAN was responsible for both the German Derby winner and the German Oaks runner up, and his sole progeny to sell in UK this year was top lot at the boutique Yorton Farm sale on 9th September - this filly is out of a €25,000 sales race-winning mare.

She's an early type and is expected to make her debut in the Warwick junior bumper on 17th November, after which either the Newbury bumper in December or the Listed Cheltenham Junior Bumper on New Year's Day are logical next steps.

~ There are three 1/10th shares remaining with a joining fee of £3600 and then all expected costs are covered by a monthly fee of £190

Konigin Isabella

POTWELL RACING SYNDICATE III

This is a brand new syndicate of 20 owners with 2 very exciting racing prospects, both big rangy 4 year olds. SERIOUS CHARGES, whom I bought after he came 2nd in a very competitive Irish point-to-point and the unraced CAPE VIDAL who is being leased to the syndicate. He is by KAYF TARA and out of the talented 4 time winning mare MIDNIGHT MINX.

~ Joining fee of £4700 buys the share in both horses

~ Monthly charge of £195 to cover all costs

Serious Charges

Cape Vidal

HATOS

HATOS is a very athletic well-balanced horse that I am excited to be offering in this new syndicate.

~ Second in an Irish point-to-point on debut, his performance can be marked up as they went very steady early on and then it became a bit of a sprint with a bunch finish, but he managed to stay on well.

~ His dam SANTALISA, is a dual winner on the flat, and he has 2 winning brothers. His sire, DIAMOND BOY, is still a fairly unexposed stallion, and already has the likes of MONSIEUR LECOQ and GRAND SANCY competing at this highest level. I think he will only improve from a summer at grass. Hes only 4 years old and has still got to fill his impressive frame.

~He'll start off in a bumper this Autumn.

~We'll be running this new syndicate ourselves, consisting of 10 shares. Initial joining fee of £6600, then all expected costs are covered by a monthly fee of £195.

Hatos
